CERTIFICATE

FACTORY PRODUCTION CONTROL

74/ZKP/13²⁾

it is hereby stated that construction products:

Structural sealant glazing

placed on the market by:

Pilkington IGP Sp. z o. o.
ul. Portowa 24
27-600 Sandomierz

produced in the plants:

Branch Kraków: ul. Półanki 62, 30-740 Kraków
Branch Skierniewice: ul. Przemysłowa 4, 96-100 Skierniewice

are covered by the manufacturer with production control system and the notified body – Institute of Ceramics and Building Materials DEPARTMENT OF CERTIFICATION AND STANDARDIZATION – have performed preliminary inspection of the plant and audit of production control system of the plant, and also performs ongoing supervision, assessment and approval of production control system of the plant.

This is to certify that based on the inspection of the plant and audit of production control system all requirements are met as specified in **NCP.3 Certification Programme** and detailed in the standard

PN-EN 13022-2:2014-08

in the scope of production process tests

The Certificate is valid from the date of **27.02.2020** and remains in force as long as the a.m. technical specification, production process or production control system are not materially modified, and provided that the manufacturer adheres to the requirements included in **NCP.3 Certification Programme**.

**Deputy Head
of the Certification Department**

MSc Małgorzata Warda-Pruszkowska
