

## NEWS RELEASE

### NSG Starts 100<sup>th</sup> Anniversary with Special Website and Facebook Page

TOKYO (April 2, 2018) - NSG Group launched today a special website and corporate Facebook page to start the programs for its 100<sup>th</sup> anniversary on November 22, 2018.

Developed around the anniversary concept of “**Working together for another century of progress,**” the programs are aimed at expressing the company’s aspiration for embracing diverse talent and joining with various stakeholders to achieve growth in the next 100 years.

Featured in the website are “100 Years of History,” a snapshot of the company’s progress against the historical backdrop, and “People & Technology” which is focused on several technological breakthroughs in the manufacturing of glass over the years.

In addition to introducing the 100<sup>th</sup> anniversary programs, the new Facebook page (left)\*, will feature a variety of information items about new products, business activities and interesting facts about glass.

During the 100<sup>th</sup> anniversary period from April 1, 2018 to March 31, 2019, NSG Group will enhance communications with its stakeholders through these programs.

\*English Facebook page will open at a later date.
