WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

The purpose of the role is to provide Expediting and Freight Forwarding support to ensure successful delivery of Group Engineering Projects.

This will involve working with our global supply base, Procurement and Expediting team, internal and external customers and external transport providers to support successful delivery of Engineering Projects with values from £500k to £250m+ in all regions where NSG Group operate.

Providing assistance to the expediting team in expediting Purchase Orders placed with suppliers to ensure that deliveries are made at the right time and place. Monitoring and tracking delivery dates on orders from an international supplier base and identifying any supply chain issues which may impact on the project schedule and reporting this to the Expediting Manager. Checking export and import paperwork is compliant. Making sea, road and air freight bookings with Freight Forwarders for international shipments.

Training will be both on the job and via a fully funded Level 3 Standard in International Freight Forwarding.

WHAT ARE WE LOOKING FOR?

The successful candidate will have ...

- Good standard of education including English and Maths
- Excellent problem solving, planning and organising skills
- A self-starter who is capable of working under pressure on their own initiative and able to prioritise workloads to achieve deadlines
- A high level of IT skills with a good working knowledge of Word Excel and PowerPoint
- Ability to work both as part of a team and independently
- Good communication and interpersonal skills, both with internal colleagues and external contacts

BENEFITS

- Fully funded Level 3 Apprenticeship
- 25 days holiday (pro rata) Mon-Fri
- Hybrid working after training period
- Flexible Working Hours scheme
- Pension with employer contribution
- Free on-site car parking
- On-site canteen
- On site fitness activities and events

A full UK driving licence and car ownership would be an advantage due to limited public transport to the site.

If you believe you have the skills and abilities we need, and there is a match between our profile and your aspirations, we very much want to hear from you!

Please send your CV and covering letter stating why you are interested in this exciting opportunity in our organisation to RecruitmentVacanciesUK@pl.nsg.com and quote reference **PTML A23-01**.
