WHO ARE WE?

NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

Pilkington Automotive is part of NSG Group and the Automotive

Original Equipment SBU is servicing major OEMs globally with the highest standards in quality, safety, sustainability & service.

In Europe, we design, manufacture and sale products to the automotive market in a constantly changing environment, advancing with new shapes, technologies & safety features. With our R&D, Design and Manufacturing teams, our strong footprint across Europe and our local commercial teams, we are set up to deliver excellent customer service.

THE ROLE

You will be a key member of the Regional Business Planning team for Automotive in Europe, working in an agile environment and responsible for successful business development within the Commercial Function. Reporting directly to the Commercial Development Manager.

Your responsibilities will include cost & profitability analysis, business case preparations, process definitions and other activities supporting our medium-term plan. The Auto industry is highly competitive and strong leadership is required across multi-functional teams (Manufacturing, Customer Service Teams, Procurement) to support business wins at a competitive level for a sustainable future.

After an initial period of 12-18 months, opportunities to explore other areas within the Auto OE commercial function (part-time or full time) will be considered (Customer Service Teams, Product Management, Demand Planning etc.).

WHAT ARE WE LOOKING FOR?

You

- Result-driven
- Highly motivated, willing to learn quickly and make an impact
- Clear communicator, capable of developing strong relationships
- Comfortable with a virtual team environment
- Structured, analytical and organised

Benefits

- 25 days holiday
- 37½ hours per week, Monday - Friday
- Remote working possible
- Development and training opportunities
- 6 monthly salary review
- Pension with employer contribution
- Free on-site car parking
- On-site canteen

You want to work in an international, highly competitive environment while developing your commercial skills? Get in touch!

A full UK driving licence and car ownership would be an advantage due to limited public transport to the Lathom site.

If you believe you can take on the challenge, we very much want to hear from you via our [online application form](#). Please visit our [website](#) for further details.
