WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

An opportunity has become available for a Process Engineer with specific responsibility for the Coatings and Services Plant on the Greengate Site.

The successful applicant will join the Float Management Team at the Greengate Site and report to the Site Engineering Manager. The jobholder will have responsibility for all engineering activities associated with the Coatings process and Services plant and will work closely with the Site Process Group Managers, Process Area Managers, and Coatings teams, while also providing Electrical Engineering support for UK5 operation.

Main responsibilities include but not limited to, implement and maintain Health and Safety Policy relevant to all maintenance activities, training and development of the maintenance group under their direct control, control of maintenance and capital budgets relevant to Coatings and Services, ensure compliance with Company standards with respect to ISO9002 and ISO14001, comply with the relevant legislation for areas using chemicals and gases, review of plant maintenance activities for efficiency and effectiveness to maximise equipment uptime, yields and quality, management of maintenance contracts and contractors

WHAT ARE WE LOOKING FOR?

You and your Skills

- Degree in a related Chemical/Engineering field and/or equivalent experience in a technical field
- Proven interpersonal and communication skills to manage a continuous shift operation
- Have the ability to work co-operatively as a member of the multi-functional team
- Develops safety as a team value – recognises and reinforces safe leadership behaviours and challenges unsafe behaviours
- Fosters a culture that makes people feel valued and respected
- Ensures that customer solutions, practices and procedures are designed and implemented to assure customer satisfaction.

Benefits

- 25 days holiday per year plus bank holidays, with the option to buy an additional 5 days per year through salary sacrifice
- Car subsidy scheme
- Private healthcare
- Management Incentive plan up to 20% of salary – based on business performance and not guaranteed
- Income protection scheme
- Group Personal Pension Plan with up to 8% employer contributions
- On site car parking
- Cycle to work scheme

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you believe you have the skills and abilities we need, and are up to the challenge, we very much want to hear from you!

If you believe you can take on the challenge, we very much want to hear from you. Application is by CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com quoting job code **GG P22 08**.
