YOU ARE...

- ...an experienced, enthusiastic, and creative C# Web Developer.
- ...solution oriented and trying to meet customer needs.
- ...looking for a new challenge in a global team.

THE ROLE

...then this permanent role is a great opportunity for you to join a multinational business in the glass industry. As Web Developer, you will be responsible for creating, enhancing, and supporting web solutions for use within an industry leading CMS to meet business and market requirements. Together with our experienced team, you will contribute to multiple high-profile projects simultaneously, with business sponsors from different sectors in collaborating with international project teams.

You will maintain an up-to-date knowledge of relevant technologies and evolve trends to ensure the team is constantly maturing. Also, you are ensuring our platform is supported, optimized and capacity managed in accordance with our internal and contractual requirements.

DESIREABLE SKILLS:

- 4 years of working experience
- Excellent programming skills in C#, .NET (Core preferable), MVC and front end languages (HTML5, jQuery, JavaScript, CSS3)
- Experience in SOLID development principles, Azure DevOps/CICD, Git, CMS, UX/UI, graphic design, knowledge of UI frameworks such as Bootstrap
- Ability to communicate effectively, and to the correct level of detail, with different people or roles in the project team/management structure
- Able to work across multiple time zones and thrive in a global team

BENEFITS:

- Hybrid working
- 25 days holiday plus declared public holidays
- Holiday Purchase scheme (purchase up to 5 additional days per year)
- Group Personal Pension Scheme
- Management Bonus Scheme – pays up to 10% of basic salary
- Experienced Team Members to take you on board and a Sitecore Course will be provided if required
- Training and career development
- On site car parking & restaurant, fitness activities and events

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

If you want to work in an open and forward-thinking environment and take on exciting challenges, where you can contribute your full potential, we very much want to hear from you. Application is by CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com quoting job code GIS P22-06. Please visit www.Pilkington.com/Careers for further details.
