WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically with a vision of **"Changing our Surroundings, Improving our World"**

THE ROLE:

We currently have 3 Procurement graduate vacancies.

You will be a key member of the global Procurement Function, working in one of a number of categories for example energy, direct materials or indirect materials and services. The role is based at our European Technical Centre at Lathom in West Lancashire within commuting distance of Liverpool and Manchester.

WHAT ARE WE LOOKING FOR?

You and your skills

The successful candidate will be a recent graduate with a minimum of a 2:1 degree with excellent communication skills, self-motivation and keen to learn.

With a strong awareness of Environment, Social and Governance (ESG) issues, you will be someone committed to making a difference to the Company and to the planet.

A full UK driving licence and car ownership would be an advantage due to limited public transport to the Lathom site.

Above all, we are seeking candidates who are passionate about Procurement and in particular about Sustainability in our supply chain and with a desire to develop themselves and their colleagues.

Why Apply?

You will be working with talents from the industry and have the chance to learn from experts and leaders in a global company. The work will be challenging but we will make sure you have the right training and support to thrive in your role. You will have a mentor assigned to you who will be supporting your career progression and be a trusted partner for you both professionally and personally.

Benefits

- 25 days holiday plus bank holidays
- Six monthly salary review
- Pension with employer contribution
- Staff Incentive scheme
- Flexible Working
- Continual Professional development and training
- Overseas work opportunities
- On site car parking/EV charging & canteen

If you believe you can take on the challenge, we very much want to hear from you via our [online application form](#). Please visit our [website](#) for further details.
