WHO ARE WE?

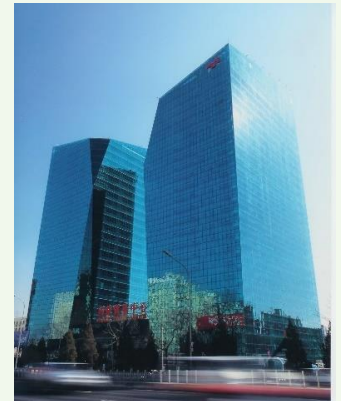

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

We give everyone an equal opportunity to contribute to their full potential and harness the richness of ideas.

THE ROLE

Group Treasury provides treasury services to the businesses including funding and liquidity, foreign exchange trading and oil/gas hedging across the worldwide Group. This role presents an opportunity to join the Lathom Treasury Back Office team where daily activities will cover; deal confirmations, settlements, bookkeeping and accounting. There will also be opportunities to work on ad hoc projects which are both geographically and technically diverse.

Full training on all aspects will be provided and no prior work experience in this area is expected. We are looking for a trainee to start as soon as possible.

WHAT ARE WE LOOKING FOR?

You

- A results orientated approach
- Numerate with a good level of computer literacy
- Ability to work both as part of a team and independently
- Good communication and interpersonal skills, both with internal colleagues and external contacts, e.g. financial institutions

Benefits

- 25 days holiday per year
- 37½ hours per week, Monday – Friday
- Six-month salary review
- Professional training and development
- Pension with employer contributions
- On site car parking & restaurant
- On site activities and events

Diversity, equity, and inclusion are central to our mission. We encourage applications from all backgrounds, communities and industries and we are happy to discuss any reasonable adjustments that you require.

Please be aware that there is limited public transport to the site, car ownership would be an advantage. As part of NSG's commitment to the environment, a car share scheme and hybrid working model are in operation at Lathom.

If you believe you have the skills and abilities we need, we very much want to hear from you! Please send your CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com and quote reference **Group P22-17**.
