WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

To provide Specialist Support and advice across the NSG Group in relation to all aspects of Intellectual Property.

We offer excellent opportunities for the right candidate to develop their knowledge and experience in all areas of the professional's typical activities including:

- identification and protection of the Group's Intellectual Property;
- drafting and prosecution of patent applications;
- enforcement of the group's IP by correspondence with infringers and, as necessary, initiation and overseeing of legal action;
- representation of the Group in legal proceedings before the UK and, or European Patent Office;
- instruction of Foreign Associates on IP matters in overseas jurisdictions on behalf of the Group;
- it is anticipated that freedom to operate assessments will constitute a significant part of this role;
- training of non-IP specialists to increase company awareness on IP matters; and general project support.

Work is necessarily done with a high degree of autonomy with each Attorney responsible for supporting an assigned portfolio of business areas within the group.
