WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Creative Technology.

Our mission is changing our surroundings, improving our world.

THE ROLE

A vacancy has arisen for an Assistant Design Engineer (Mechanical) within the R&D Engineering Design Team based at the European Technical Centre, Lathom near Ormskirk, Lancashire.

The role involves the development of new products, improved processes and inspection systems to meet the demanding requirements of the glass industry. Experience with Inventor 3D is desirable, as is experience of other 3D CAD systems although training will be provided as necessary.

The successful applicant will work with colleagues from various functions in multi-disciplinary project teams. There are significant, innovative challenges, both to solve known problems and to identify new opportunities, in a fast moving, customer oriented, and technological environment. The role involves good team working skills and an ability to turn theoretical ideas and concepts into practical and reliable applications that ultimately contribute to the creation of innovative automotive, architectural, and other speciality glass products.

WHAT ARE WE LOOKING FOR?

You

- A knowledge of design principles
- Experience of 3D CAD packages
- Experience of producing mechanical drawing packages
- Good use of Microsoft Office package (Word, Excel, Outlook)
- Good team working skills
- Ability to turn theoretical ideas and concepts into practical and reliable applications

Your technical skills

- HND/HNC in Mechanical Engineering
- AutoCAD 2D
- Experience of document management systems
- Experience of an R&D environment

Benefits

- 25 days holiday
- 37½ hours per week
- Pension with employer contribution
- Bonus scheme
- Free on-site car parking
- On-site canteen
- On site fitness activities and events

A full UK driving licence and car ownership would be an advantage due to limited public transport to the site.

Please send your CV and covering letter to RecruitmentVacanciesUK@pl.nsg.com and quote reference **PTML P23-02**.
