WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

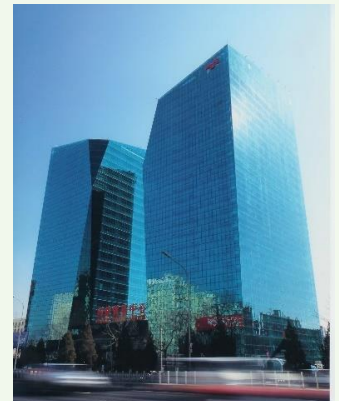

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

An exciting opportunity that requires an experienced SAP FICO professional is available. This is a great chance to get involved in S4Hana/ECC technology while working for an international orientated company.

The role entails working closely with key internal stakeholders solving financial issues while working on support and projects.

The role is a great opportunity as you will be exposed to SAP specialised modules such as Treasury applications. The Company will heavily invest in you via training, development and in the involvement of new Technologies. If you are technically minded this role would suit you very well. There is a lot to get involved in and learn and is an opportunity for someone who is thinking about their career and experience in the long term.

WHAT ARE WE LOOKING FOR?

- Ideally educated to bachelor's degree level in Finance or IT
- 3+ years of SAP FICO hands on experience (support and projects)
- Some practical configuration experience (GL, FA, AP/AR, Taxes, Cash & Banks)
- SAP FICO technical knowledge
- SAP FICO experience in Manufacturing Industry would be beneficial
- Strong communication skills
- Flexible to travel
- Knowledge of Product Costing and Material Ledger with actual costing would be an advantage.

Benefits

- 25 days holiday plus Holiday Salary Exchange Scheme
- Flexible working
- Bonus scheme
- Group Personal Pension Plan
- On site car parking & restaurant
- On site fitness activities and events

A full UK driving licence and car ownership would be an advantage due to limited public transport to the site.
