WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

An opportunity has arisen within our Group IS function for a SAP Controlling Module Leader based in the North West of England.

WHAT ARE WE LOOKING FOR?

Qualifications

3+ years of working experience as SAP CO Consultant (Configuration experience) in an internationally orientated company, with at least 2+ full project life cycles and support.

Skills required

- Good understanding of Finance business processes and accounting practices
- Expected SAP Controlling skills (configuration level)
 - CO – Cost Centre Accounting (including Budgeting Functionality)
 - CO – Product Costing (Including Product Cost Collectors and Actual costing with Material Ledger)
 - CO – Profit Centre Accounting
 - CO – Profitability Analysis
 - CO – Project Systems
- Integration experience with Logistics modules (PP, MM and SD)
- Advantage to know (but not essential):
 - FI – General Ledger
 - FI – Fixed Asset (including WBS Elements and Internal Orders)
 - FI – AP/AR
- Awareness of S4/HANA and Material Ledger with Actual cost are a plus
- Proven ability to deliver to tight timescales and ability to work well independently as well as in a team
- Excellent communication and presentation skills
- Candidates must also have flexibility to travel overseas (anticipated 30% of time)

BENEFITS

25 days holiday, plus holiday purchase scheme

Employee discount scheme

Flexible Working

Continual professional development and training

On site car parking & canteen

Pension Scheme

On site fitness activities and events

Based at a rural 50-acre site in West Lancashire between the cities of Liverpool and Manchester, with good motorway links and within easy reach of the Lake District and Peak District

A full UK driving licence and car ownership would be an advantage due to limited public transport to the site.

Application is by CV via e-mail to RecruitmentVacanciesUK@pl.nsg.com. Please quote job code GIS-P1905.
