WHO ARE WE?

The NSG Group is a global leader in glass manufacturing in three business areas: Architectural, Automotive and Technical Glass.

Our mission is to be the global leader in innovative high-performance glass and glazing solutions, working safely and ethically.

THE ROLE

You will be a key member of the Aftermarket Glass Replacement (AGR) UK team, working in an agile environment and responsible for successful business development within the Commercial Function.

Your responsibilities will include account management, marketing, pricing analysis, market research and much more.

This role will support activities for the UK AGR Business both at the European Distribution Centre in Redditch as well as within the 8 Wholesale branches in the UK and Ireland.

The Automotive industry is highly competitive and so the Commercial function plays a key role in providing management with tools and information required to ensure that as a company we can take an innovative approach to our service delivery, adding value to both the customer experience and products wherever possible.

The role will report directly to the UK & I Commercial Manager, and will give the successful applicant exposure to a wide range of areas within the AGR business.

We are looking for a trainee to start summer 2019.
